WHO WE ARE

Operating as both an online-based and a brick-and-mortar firm, we are dedicated to delivering innovative, customized solutions seamlessly to our clients. Our talented team of architects located in Houston, Austin, New Jersey and Philadelphia are shaping cities every day.

WHAT WE DO

With over 30 years of experience, we take great pride in our ability to deliver on the varying scales of our clients' projects. We are equally experienced in both large projects—hospitals, retail centers, mixed-use apartment buildings—and small projects—single-family homes, build outs. For us, no project is too big or too small.

WHAT WE BELIEVE

At DDG, we treat each and every project with the utmost attention and care. Satisfied owners, contractors and developers are how we build life-long partnerships.
